

## Winter Atmosphere in a red log storehouse of Restaurant Savu

What would be a more idyllic place to celebrate pre-Christmas parties than a traditional red log storehouse with full of Christmas atmosphere. Restaurant Savu is located in its own peace in the middle of a small park surrounded by the sea but yet only a short walk away from the Helsinki city centre.

Good quality ingredients and flavours appear on Savu's menu so you will have a chance to experience traditional Finnish cuisine at its best, also with a twist of flavours belonging strongly to Finnish Christmas
